**TRADE UNION MEMBERSHIP AND EMPLOYMENT UP,
ENGINEERS, SPECIALISTS STILL NEEDED**

KIRGIZ TRADE UNION MEMBERSHIP INCREASES -- Sovetskaya Kirgiziya, No 76. 19 Apr 49

Total membership in trade unions in the Kirgiz SSR rose in 1948 from 114,723 to 156,887 members. The Republic now has 3,000 factory-plant and local committees and 150 oblast, city, and regional committees working under one central and 23 Republic committees.

LITHUANIAN EMPLOYMENT INCREASES -- Sovetskaya Litva, No 14, 18 Jan 49

The number of persons employed in the Lithuanian SSR increased 8 percent in 1948 over 1947. Trade schools, railroad institutes, and FZO schools supplied a total of 5,562 trained workers during the year. Individual and group studies trained 16,300 new workers and raised the qualifications of 24,700 workers.

LATVIAN EMPLOYMENT UP -- Sovetskaya Latvija, No 12, 15 Jan 49

The number of workers and employees in the Latvian SSR increased 6.8 percent during 1948.

BELOUSSIAN WORKERS INCREASE -- Sovetskaya Belorussiya, No 17, 25 Jan 49

The total number of workers and employees in the Belorussian SSR in 1948 amounted to 111 percent of the 1947 total. The number engaged in industry increased at the most rapid rate, reaching 120 percent of the 1947 figure in 1948. The 1948 figure for those engaged in educational work and public health amounted to 112 and 113 percent respectively of 1947. During 1948, 3.5 times more qualified young workers were made available to the Belorussian national economy by trade and railroad schools than during 1947.
